

What is a Human Library? How do I Prepare to Participate?

What is a Human Library?

Community members and various professionals will volunteer their time as “Human Books” in an effort to “help dispel myths and stereotypes by creating an opportunity for one-on-one conversations between people who may never have met otherwise.” Colonel By and Sir Wil students will have the opportunity to “sign-up for a Book” and ask questions to learn about their Human Books and their extraordinary lives”. (Human Library Organization, 2012)

Our students will have an opportunity to “check out” people with very unique perspectives and experiences and provide insight into various topics of interest, not readily accessible to students’ daily lives. In groups of 6, they will sit and chat with their human book for approximately 30 minutes, before proceeding to their next Human Book. Each student gets to meet a total of 6 Human Books during the day on **Wednesday, April 8th, 2020**. This is an on-going collaboration between Sir Wil & Colonel By Secondary Schools - this will be our 5th high school Human Library event.

*Please note that there will be **over 70 Human Books participating** and **only 300 students from Sir Wil and Colonel By attending** in the gymnasium. This is a first come, first serve event - **Sir Wil has room for 150 students only to attend, Colonel By has only 150 student who can attend!**
